CLERK A. Taylor
SO. DIST. OF GA.

LEON ARMSTRONG,

Plaintiff,

v.

THE CITY OF BRUNSWICK,
GEORGIA; and ROBERT CARROLL
and GUNNER OLSON

Defendants.

CIVIL ACTION NO. CV298-123

MOTION TO EXTEND TIME FOR COMPLETION OF DISCOVERY

COME NOW the plaintiff and defendants in the above styled case, by and through their undersigned counsel, and move the Court for an Order extending the time for completion of discovery in the above-styled case for an additional thirty (30) days, until and including January 23, 1999. In support of said motion, the parties show the following:

1. Despite numerous trial schedulings, leaves of absence, and other matters, the parties in this case have completed substantial discovery, including depositions of the plaintiff, both of the individual named defendants, and some others.
2. Both parties desire to complete additional deposition discovery, which may require several additional scheduling dates. Both parties believe that any remaining discovery can reasonably be completed within thirty (30) days.

3. Discovery in this case is presently scheduled to expire December 24, 1998. The Court previously granted a thirty-day extension on application for a sixty-day extension, but the thirty day extension was inadequate. The parties have attempted to schedule the remaining discovery within the present extension, but have been unable to do so because of conflicts in their schedules.

4. The parties also request that any remaining scheduling deadlines be extended accordingly.

RESPECTFULLY SUBMITTED this 23rd day of December, 1998.
